

**CIHR Partnerships for Health System Improvement  
Funded Recipients**

**Program Description**

The purpose of the Partnerships for Health System Improvement (PHSI) matching funds program is to support alliances of researchers and decision-makers in conducting applied health services and policy research, that will be useful to health system managers and/or policy makers. Funding is for research projects in which Nova Scotia researchers and decision makers figure prominently.

**Fall 2009 Completion CIHR PHSI Funded Recipients:**

**Funded Applicants: 1**

**Total NSHRF Funding: \$83,450.00**
