

Scotia Scholars^{OM} Awards (Doctoral) 2018 - 2019 Recipients

The Scotia Scholars^{OM} Award is intended to provide financial support to high caliber trainees engaged in health research related academic study at Nova Scotia universities. The goal of the Scotia Scholars Award is to support the development of the next generation of highly qualified health researchers and leaders in the Nova Scotia health research enterprise, as well as encourage continued interest in health research careers.

Funds are allocated to Acadia University, Cape Breton University, Dalhousie University, Mount Saint Vincent University, Saint Mary's University and St. Francis Xavier University for Undergraduate, Master's and/or Doctoral level awards. The number and levels of awards issued are determined annually by each university. Applicants are evaluated by their institution based on their past academic, leadership, and research achievements.
