

## Nova Scotia Health Research Foundation George Turnbull Student Research Award Recipients

The George Turnbull Student Research Award is presented to the Scotia Scholars Award applicant (Master's or Doctoral level) who demonstrates the greatest potential to benefit people living with Parkinson's Disease.

In 2008, the Parkinson Society Maritime Region and the Nova Scotia Health Research Foundation jointly established the George Turnbull Student Research Award to recognize and honour the exemplary and devoted service Dr. George Turnbull contributed for over 20 years to the better understanding and treatment of Parkinson's Disease.

The George Turnbull Student Research Award is awarded annually. In addition to receiving this prestigious recognition, the NSHRF will contribute an award of \$1,000 (non-renewable) to assist the recipient to further his/her research.
